HOW TO CONFIGURE YOUR BIG-BROHER FOR INTERNET ACCESS

STEP 1: ACCESSING THE WEB CONFIGURATION THROUGH THE ROUTER

Open the configuration page of the router by typing <http://192.168.1.1> in a web browser. We recommend this one time configuration to be done using [Internet Explorer](#).

Insert the username as [admin](#) and password as [admin](#) and click on OK

UNIVERSITÄT DUISBURG ESSEN

Click on Network -> Mail -> IM
